PERSONAL PROFILE

During my time in Reno, I've learned that the Biggest Little City has a *huge* fan base. As a sports anchor and reporter, I've been lucky to cover the Nevada Wolf Pack, the Reno Aces, and Bighorns basketball. I also saw Northern Nevada get its first soccer team: The Reno 1868 FC. I'm hoping to use the skills I've learned covering both college and professional sports to take the next step in my career.

I'm hoping you'll give me that opportunity.
